HEALTH RESTORED

BY THE USE OF
BRISTOL'S SUGAR-COATED
PILLS!

THESE PILLS have just acquired a widely extended reputation for their wonderful cures of various cases of sickness—cases in which all other Medicines had failed, and which had been given up by Physicians as beyond hope—such as confirmed and long-standing Bilious Complaint, obstinate cases of Piles, Dropsy, &c. &c. But while omitting their wonderful curative powers in different cases, we wish to call attention to their great value in the every-day disease of Life, such as COSTIVENESS, for which they are a perfect specific; HEADACHES, relieved and cured by one dose; INDIGESTION, always removed by them; and the stomach so toned and strengthened as to prevent a return. BAD BREATH cannot exist when the stomach is cleansed by

BRISTOL'S SUGAR-COATED

PILLS.

PURELY VEGETABLE.

FOR LOSS OF APPETITE they are the only sure remedy, as they never fail in carrying off the depraved bilious secretions that float in the stomach and destroy the healthy natural craving for food. Some have attributed Flatulency, and all Derangements of the Digestive and Secretory Organs, are properly relieved and cured by them. As a purgative, they bear in mind that Bristol's are the only Pills made of

PODOPHYLLIN & LEPTANDRIN,
the only vegetable substance yet discovered that are really

ANTIBILOUS.

to the presence of which fatal bile retards the extraordinary action of Bristol's Pills in a great measure is ascribed. It is necessary, however, that the sick should always remember that in all diseases that have their origin in the blood.

BRISTOL'S SARSAPARILLA.

that best of blood-purifiers, should be used with the Pills, the two Medicines being prepared expressly to act in harmony together. When this is done faithfully, we have no hesitation in saying that great relief, and, in most cases, a cure, can be guaranteed, when the patient is not already beyond human help.

For general directions and titles of doses, see the wrapper around each pill of Pills; but as different constitutions require of different doses to produce the same effect, it is better that each person ascertain, by trial, the dose that suits their system, and take that dose, instead of following any general rules.

PROVED BY

THIRTY-FOUR YEARS' TRIAL.

It is a true saying, that any preparation intended to stand the test of public trial, experience must be the result of undoubted and positive virtue, and its career will be speedily terminated, and its name be forgotten among the myriads of similar failures that have gone before it.

THE SINGULAR EXCELLENCE OF

BRISTOL'S SARSAPARILLA.

becomes at once indubitable and self-evident. It was first introduced in the year 1837, and from that date until the present time, its progress has been uniform and steady, each year showing an increase in the demand on the preceding one, until to-day, it is acknowledged to be the

BEST BLOOD PURIFIER

and depurative known to medical science, and as such is prescribed by the leading physicians in America, and throughout the world, in all cases of all kinds of skin diseases, eruptions, and eruptive diseases. BRISTOL'S SARSAPARILLA should not be confounded with other so-called sarsaparillas; it is

ENTIRELY DIFFERENT

from all others. It contains no minerals, and can be used freely, with perfectly safe results. It is a powerful purgative, and is the only one that requires the addition of iodine of potassium, with any other article, to make it effective. It is a strong enough for the robust man, and is of great use for the weakest infant. Every ingredient in it is

BENEFICIAL TO HEALTH.

For every form of miasmatic disease it is a safe and reliable remedy, bringing a cure to all kinds of miasmatic diseases, a cure for eruptions, a preventive of debility, and a healthful stimulant. It is purely vegetable, and is entirely free from the use of any other result from its free use. The public should therefore

and take no other. It is the cheapest, the strongest, and the best.

THE LANGUAGE OF FLOWERS.

POETS of all ages have celebrated in song the beauty of flowers. Their fanciful have ever delighted in likening the person and features of the beauties of the human body to the floral beauties they so much admired. Every flower, from the tiny but fragrant Lily of the Valley to the stately Sunflower, has been seized upon and made to do duty as the representative of some emotion, attribute, or action in life.

The sweet Verbena is the mute representative of "Fidelity," while the fragrant Tuberose speaks of "Simplicity." The Danek Rose is the sign of "Faithful Friendship," while the starling Pansy is the emblem of "Love." Other property possessed by the flowers equally if not more important than their beauty of form and color—we refer to the fragrance they exhale. What can compare with the breath of the blooming rose or the tender fragrance of the virgin lily? And time and time again, in the great perfume, Chemistry, which seems to be limited to powers of stimulation, fails completely in its efforts at producing the delicate combined with the richness of Nature's perfume; and, with the single exception of

MORAY & LAMMAN'S

FLORIDA WATER.

We know of no preparation where the simple and natural fragrance of the flower is preserved unaltered and unimpaired. Therefore, the breath of Florida Water, and its exquisite breath is soon turned to the noxious gases of decay; but in this delightful Florida Water, the perfume is seized upon at the moment when it is most fragrant, and preserved for all time, unchangeable, as an necessary to the toilet.

MORAY & LAMMAN'S

FLORIDA WATER.

Florida Water is not only for its fragrant perfume, but also for its well-marked hygienic properties, a feature not possessed by any other similar preparation. The wonderful power of RESTORING AND REFRESHING.

The fatigued and overworked mental or physical powers, is probably the distinctive feature of this great perfume, making it an absolute necessity for Ladies who wish to retain unimpaired the beauty of their complexion with the power and freshness of their conversation.

Always ask for the Florida Water prepared by MORAY & LAMMAN, New York. All others are counterfeits.
